PROFILE SUMMARY

Motivated Electronics and Communication Engineering student currently pursuing the 6th semester, with a strong and dedicated interest in the software field. Actively pursuing a Minor Degree in Full Stack Development as an additional qualification to build a strong career in software development. Continuously learning programming languages, web technologies, and problem-solving skills to develop into a competent software professional.

EDUCATION

2023 - 2027

EINSTEIN COLLEGE OF ENGINEERING

- Bachelor Of Engineering (B.E)-
Electronic and Communication Engineering
- CGPA : 8.78/10.00 (Upto 5th Semester)

2022-2023

BAREN BRUCK HIGHER SECONDARY SCHOOL

- 12th - Maths Biology
- Percentage : 80.8%

PROJECTS

QR Code Generator

Developed a responsive web application to generate QR codes dynamically based on user input. Implemented real-time input validation and DOM manipulation for seamless interaction. Enabled QR code download functionality with clean UI design. Strengthened frontend development skills through hands-on JavaScript implementation.

Cineflix - Netflix Clone

Developed a responsive Netflix-style web application using HTML, CSS, JavaScript featuring movies and web series with interactive modals displaying detailed content information. Implemented dynamic UI behavior using JavaScript and enhanced user experience with hover effects, overlays, and animations. Deployed the project using GitHub Pages.

SKILLS

- C Programming
- Python (Basics)
- HTML
- CSS
- Java
- Java Script
- MySQL

CERTIFICATE AND ACHIEVEMENT

- Secured 1st Place for Best GPA in each semester up to the 4th Semester (from 1st sem to 4th sem) and Awarded Certificates for Academic Excellence.
- Secured 1st Prize in Technical Quiz and 2nd Prize in Code Debugging at the Symposium conducted by the IT Department, JP College of Engineering (February 2026).
- Participated in a One-Day Industrial Visit at Srishti Innovative Educational Services, Kazhakkootam, Trivandrum (September 2024), gaining exposure to real-world industry practices and professional work environments.
- Executive Member - Einstein English Club & Joint Secretary- ELACE Association in My College .
- Active Stage Performer in college cultural events (Dance & Skit)
